

**North Penn High School  
Lansdale, PA 19446**

**The Crist Family Foundation Scholarship In Biology**

This is a need based scholarship for a NPHS senior who has a GPA of 3.25 or higher who will be attending a four year college and is planning to do research in the biological sciences.

The amount of this years' award will be \$2500.00. In addition, if the recipient is able to find an undergraduate research position before the start of their third year they may request an additional \$2500.00 directly from the Crist Family Foundation to support their research.

Scholarship winners will be selected by a committee appointed by the high school principal. Candidates for first-time awards must be members of the NPHS senior class at the time of application. Applicants will be considered on the basis of a variety of factors including goal direction, self-help, financial need, academic achievement, and potential for academic success beyond high school. Candidates must be accepted for admission to a four year college or university approved by the U.S. Government and/or the commonwealth of Pennsylvania for a student aid program.

Please complete the following application for consideration.
