

Trade and Vocational David Kelley Memorial Scholarship Application

Due by April 14, 2023. Send to Mrs. Joanne Borchers at borchjm@npenn.org

This scholarship is in memory of David Kelley, a man whose family was the center of his world. He was also a proud member of the North Penn family for years. David was a loyal, gentle, and genuine man and was willing to go above and beyond in order to help others. This was at the core of who David was. His warm smile and respect for all allowed him to connect with people. As a mentor to many, he helped them gain confidence and the opportunity to succeed.

We are honoring the students who are passionate and committed to pursuing a career in the trades. **This scholarship award is only available to senior students that are enrolled in a program at the North Montgomery Technical Career Center.**
