John Huber Memorial Scholarship

The John Huber Memorial Scholarship is made possible through an anonymous donation in memory of John Huber. Mr. Huber valued education so much that in the late 1800s, he sold his farm and moved his family to the city so his children could benefit from the best schooling available at the time.

Scholarships ranging in value from \$100 to \$1,000 will be granted to one or more students annually.

Scholarship winners will be selected by a committee appointed by the high school principal. Candidates for first-time awards must be members of the NPHS senior class at the time of application. Applicants will be considered on the basis of a variety of factors including goal direction, self-help, financial need, academic achievement, and potential for academic success beyond high school. Candidates must be non-smokers and they must be accepted for admission to a business, vocational, or technical school, a hospital school of nursing, or a junior college, college, or university approved by the U.S. Government and/or the commonwealth of Pennsylvania for a student aid program. Those planning to attend a business, vocational, or technical school will be given first consideration in the selection process.
